Visa Approved Applets for Mobile Products - Aug 31, 2025

When granted, Visa approval is provided by Visa to ensure certain security and operational characteristics important to Visa's systems as a whole, but Visa approval does not under any circumstances include any endorsement or warranty regarding the functionality, quality or performance of any particular product or service. Visa does not warrant any products or services provided by third parties. Visa approval does not under any circumstances include or imply any product warranties from Visa, including, without limitation, any implied WARRANTIES OF MERCHANTABILITY, FITNESS FOR PURPOSE, OR NON-INFRINGEMENT, all of which are expressly disclaimed by Visa. All rights and remedies regarding products and services which have received Visa approval shall be provided by the party providing such products or services, and not by Visa. Visa performs limited testing to ascertain a product's compliance with any required specifications and may perform interoperability testing with other approved products.Visa's limited testing program is not designed to establish the functionality of any product that has received a Visa approval in all potential conditions in which it may be used. Visa's approval does not in any circumstances include or imply any guarantees, assurances or warranties that a product that has received a Visa approval will operate in all possible settings or in connection with any other product that has received a Visa approval.Visa may revoke a product's approval at any time.

Note: No party should rely on this list at any time without first confirming the contents match the official list published on the Visa Digital Partner Services website at https://digitalpartnerservices.visaonline.com/ .

Product Reference	Product Name	Approved	VMCPS Version	VTS Compatible
AAVISA00161A	VMPA 1.4.4.1 CFG_20 181003	06 Mar 2019	1.4.4	Y
